

APA-Style Quiz and Writing Preparation

Due at the Start of Lab: Lab Assignment 4

As well, students will complete an in-class quiz on APA style. The quiz involves 10 multiple-choice questions (30 points) on citing and referencing. Students may use their official APA style manual (but no printouts, photocopies, notes, or computers).

Rationale for Today's Lab Session

After completing the APA-style quiz, the laboratory session is allotted for students to work productively on the next paper. Please be quiet while other students finish their quiz.

Objectives

- Bring any materials (USB flash drive, articles, laptop, headphones, etc.) needed to allow you to work productively on Paper 2

Dismissal

- Students may be dismissed early if the lab instructor has reviewed a complete first draft of their Paper 2 (note the special deadline for the paper, which is not during a normal lab meeting due to the holiday; turn it in early if leaving town)
